Grievance Procedure and Arbitration

A. As the Township and the Association desire to maintain an amicable and harmonious relationship so that the Township and its employees covered under this Agreement, as well as the public, will benefit and to avoid the occurrence of strife which might cause a disruption of efficient and progressive public service, and because the parties recognize that grievance procedures and arbitration have been sanctioned and encouraged by general public authority, the parties to this Agreement do hereby agree to the following procedure:

STEP 1. Should any difference or dispute arise between the Township and employees covered by this Agreement over the application or interpretation of the terms of this Agreement or any term or condition of employment, the parties will make an earnest effort to resolve and settle their differences within ten (10) days between the aggrieved employee and his immediate superior. Any grievance not brought to the attention of a Superior Officer within fifteen (15) days of its alleged occurrence shall be considered void.

The arbitrator shall have full power to hear and determine the dispute between the parties. The decision of the arbitrator shall be binding upon both parties.

B. An aggrieved employee shall be entitled to be represented by a representative of the Association at any step of the grievance procedure. Either the Township or an employee may waive Steps 1, 2 and/or 3.

C. The expense of the arbitrator shall be borne by the unsuccessful party, whether the Township or the employee. The time

limits set forth herein may be waived and/or extended by mutual agreement between the parties in writing.

ARTICLE III

Departmental Investigations

In an effort to insure that departmental investigations are conducted in a manner which is conducive to good order and discipline, the following rules are hereby adopted:

(1) The interrogation of a member of the force shall be at a reasonable hour, preferably when the member of the force is on duty, unless the exigencies of the investigation dictate otherwise.

(2) The interrogation(s) shall take place at a location designated by the Chief of Police. It will usually be held at Police Headquarters or the location where the incident allegedly occurred.

(3) The member of the force being interrogated shall be informed of the nature of the investigation before an interrogation commences. Sufficient information to reasonably apprise the member of the allegations should be provided. If it is known that the member of the force is being interrogated as a witness only, he should be so informed at the initial contact.

(4) The questioning shall be reasonable in length. Fifteen (15) minutes time shall be provided for personal necessities, meals, telephone calls and rest periods at the end of every two (2) hours of questioning.

(5) A member of the force shall not be subject to any offensive language, nor shall he be threatened with transfer, dismissal or other disciplinary punishment. No promise of reward shall be made as an inducement to answer questions.

(6) At every stage of the proceedings, the Department shall afford an opportunity for a member of the force, if he so requests, to consult with counsel and/or his Association representative before being questioned concerning a violation of the Rules and Regulations during the interrogation of a member of the force, which shall not delay the interrogation beyond one (1) hour for consultation with his Association representative, nor more than two (2) hours for consultation with his attorney.

(7) In cases other than departmental investigations, if a member of the force is under arrest or if he is a suspect or the target of a criminal investigation, he shall be given his rights pursuant to the current decisions of the United States Supreme Court.

(8) Nothing herein shall be construed to deprive the Department or its officers of the ability to conduct the routine daily operations of the Department.

ARTICLE IV

Personnel Files

A. Personal history files are confidential records. Any probationary officer or permanent member of the Police Department may, by appointment, review his personnel file. This appointment for review must be made through the Chief of Police.

B. Whenever a written complaint concerning an officer or his actions is to be placed in his personnel file, a copy shall be made available to him, and he shall be given the opportunity to rebut if he so desires, and he shall be permitted to place said rebuttal in his file.

C. Nothing placed in any file shall be removed therefrom.

ARTICLE V

B. In all circumstances the employee shall promptly report such actions to the officer in charge at the desk at Police Headquarters.

ARTICLE VI

Seniority

A. For purposes of this Agreement, seniority shall be determined by rank and within a given rank by the length of service in that rank.

B. In the event it becomes necessary to reduce the number of employees, layoffs shall be by strict seniority in the following manner:

(a) by rank and then

(b) by the Department.

At the time of layoff, the officer shall be permitted to exercise his department seniority, bump an employee in a lower rank, as shall each affected employee, so that the least senior employee shall be the first laid off.

Recall from layoff shall be in the inverse order of lay-off.

C. The Township shall not hire any additional employees while there are permanent members on layoff status who are entitled to recall until it shall first offer such position to the laid off employee(s). Should the laid off employee refuse such position, the Township may then seek additional employees.

D. 1. An employee who is on layoff status shall be responsible for keeping the Township advised of his latest home address. The Township's recall responsibility shall be considered as satisfied upon mailing a notice of recall to an employee who is on layoff status by postpaid certified or registered mail, return-receipt-requested, sent to his last-known home address. The laid off employee must notify the Township of his intention and desire to return to work within fifteen (15) days of the date upon which the notice was mailed by the Township. Should the

employee fail to do so, he shall be considered as having waived his rights of recall.

2. An employee shall lose all rights of recall, irrespective of subsection 1 above, when he has been laid off for a continuous period exceeding two (2) years.

E. This Section is subject to the provisions set out in N.J.S.A. 40A:14-143.

In addition, in the case of protracted illness (i.e., 30 days or longer), the Township Committee may, at reasonable intervals thereafter, require additional physicians's statements certifying that the employee is still unable to return to work because of illness. If required, the employee shall submit to an examination by a physician designated by the Township Committee and shall consent to the release of a report to the Township Committee with respect to the particular illness. Abuse of sick leave may be subject for disciplinary action.

C. If an employee shall retire, resign or otherwise be separated from employment before the end of a calendar year, sick leave shall be prorated at the rate of 1.25 days per month, and an employee shall reimburse the Township for any sick leave already taken to which he was not entitled.

D. An employee who retires, resigns or is otherwise separated from employment, except as a result of a disciplinary or criminal proceeding, shall be entitled to be compensated for unused sick leave in accordance with the schedule at the top of the following page.

<u>Years of Service</u>	<u>Maximum Number of Days of Accumulated Unused Sick Leave Subject to Compensation</u>

ARTICLE XIII

A. During the term of this Agreement, each probationary and permanent member of the Department covered by this Agreement shall be compensated for thirteen (13) paid holidays at time and one-half (1 1/2) their regular rate of pay, provided that a probationary officer commencing employment with the Township, during either 1990 or 1991, shall be entitled to only 1.08 paid holidays for each month of employment during either year.

C. The seventy-two (72) hour advance request requirement shall be waived when a request for a personal day arises from an emergency condition or emergency situation which makes such advance request impossible or impractical, provided, however, that the Township reserves the right to reasonably request that an employee supply proof or documentation of the emergency condition or emergency situation. B. Reimbursements shall be by vouchers submitted to and approved by the Chief. Such vouchers shall detail the expenses, and receipts for luncheon and dinner expenditures shall be attached. Reimbursements shall not constitute compensation. This Article shall not apply to attendance at the police training course which is a prerequisite to appointment as a permanent member of the Police Department.

ARTICLE XVIII

College Credit Payments

A. Each permanent member of the Police Department shall receive additional compensation, in accordance with the schedule in

section B of this Article, for the completion of college credits relating to work in which a passing grade of "C" or better or the equivalent thereof has been attained. However, all new employees hired after January 1, 1986 will only receive payment for college credits, in accordance with the schedule in section B, for courses and/or majors which lead to a degree in Police Science or Law Enforcement and in which a passing grade of "C" or better or the equivalent thereof has been attained.

The officer shall also become entitled to payments for college credits for the full year in which the officer is appointed as a permanent member.

E. If an officer shall retire, resign or otherwise be separated from service, payment for college credits shall be prorated for the year in which the retirement, resignation or other separation from service occurs.

F. Payments pursuant to this Article shall not be included in calculating payments into any retirement system.

ARTICLE XIX

Overtime

A. Eight (8) hours of duty shall constitute a daily shift and forty (40) hours shall constitute a work week for probationary officers and permanent members of the Police Department, provided, however, that a shift schedule aimed at twenty-four (24) hour coverage may cause an officer to work more than forty (40) hours in one (1) work week and less than forty (40) hours in the succeeding week.

B. Each probationary and permanent member of the Police Department covered by this Agreement shall be entitled to receive overtime pay as follows:

(1) Overtime required by reason of emergency, the extension of a tour of duty for more than thirty (30) minutes or for any other reason shall be paid at one and one-half (1 1/2) times the employee's hourly base rate.

The election of cash during the last two (2) months of the calendar year is subject to the approval of the Chief, whose approval, if withheld, shall result in the employee being credited with compensatory time at the time and one-half (1 1/2) rate, subject to the Fair Labor Standards Act.

(4) For purposes of calculating a member's hourly rate under this Article, only the salary as established by the provisions of Article I of this Agreement shall be used.

(5) Overtime shall be submitted on the first of each month, and will be paid on the second pay check of each month, depending on when submitted.

ARTICLE XX

Work Incurred Injury

A. If a probationary or permanent member of the Police Department suffers an injury or disability in the line of duty (not including an injury or disability suffered while going to or from work), as defined by State law, the Township shall continue such employee at full pay and benefits during the continuation of such employee's inability to work, up to a maximum of six (6) months. During this period of time, all temporary disability benefits which the employee receives under the provisions of the Workers Compensation Act shall be paid over to the Township. The Township Committee may, at its discretion, extend the six (6) month period pursuant to N.J.S.A. 40A:14-137.

* B. The employee shall be required to present evidence by a certificate of a responsible physician establishing his inability to work. The Township Committee may require the employee to present such certification from time to time at reasonable intervals. If required, the employee shall submit to an examination by a physician designated by the Township Committee and shall consent to the release of a report to the Township Committee with respect to that particular injury.

C. The provisions of this Article shall not be interpreted as requiring or authorizing any extension of the one-year period of any probationary employment.

ARTICLE XXII

Maintenance of Work Operations

A. The Association hereby covenants and agrees that for the duration of this Agreement neither the Association nor any person acting on its behalf shall cause, authorize or support any strike (i.e., the concerted failure to report for duty or the wilful absence of any employee from his position, or the stoppage of work, or absence in whole or in part, from the full, faithful and proper performance of the employee's duty of employment), work stoppage, slowdown, and/or walkout against the Township.

B. In the event of a strike, work stoppage, slowdown, walkout or other job action, it is covenanted and agreed that participation in any or all such activities by any Association member shall entitled the Township to invoke any of the following alternatives:

(1) Withdrawal of Association recognition; and/or

(2) Use of such activities as grounds for termination of employment of such employee(s).

C. The Association agrees that it will make every reasonable effort to prevent such members from participating in any strike, work stoppage, slowdown and/or walkout or from supporting such activity by any other employee or group of employees of the Township and the Association will publicly disavow such action.

D. Nothing contained in this Agreement shall be construed to limit or restrict the Township in its right to seek and obtain such judicial relief as it may be entitled to have in law or in equity for injunctions or damages, or both, in the event of such breach by any of the employees or the Association.

SCHEDULE B

F. HERBERT HERRON
Chief of Police

DEPARTMENT OF POLICE

(201) 643-2681

June 25, 1990

To: All Officers
Ref: Schedule Proposal
From: Chief Herron

The following schedule is being proposed. The following specifications would apply to the schedule:

1. Shifts are 10-hour shifts.
2. Midnight shifts have \$5,000 pay differential increase.
3. A day off is a day off, vacation, or sick time.
4. Switches to cover midnight for vacations or sick outs means receiving pay differential of approximately \$2.50 per hour.
5. Give up overtime Court time.
6. Give up overtime in-service time.
7. Give up overtime school training time.
8. Any new person added to the schedule becomes a floater (least seniority) and will be switched to shift where needed most.
9. Detectives will work 8-hour shifts five days a week, 7:00 A.M. - 3:00 P.M. and 2:00 P.M. - 10:00 P.M., and maintain a uniform at headquarters at all times in case they are needed for schedule.
10. All slots on schedule can be changed (i.e. day man moved to afternoons) to accommodate sick outs and vacations.
11. All shifts can be permanent days and afternoons if majority agrees. Shift selection will be on a seniority basis. Exceptions will be two Sergeants on days and afternoons on same shift.
12. Any officer who works the midnights will work it for a minimum of one year, unless another officer agrees to drop down to the slot and the former midnight man moves up to the slot vacated.
13. If a midnight man becomes disabled for any reason, the slot will be assigned according to seniority unless volunteered for by another officer.
